PROFESSIONAL SUMMARY

I am a graduate of Generation JSD Boot Camp. Previously, I was in the document verification industry for 2 years. The experience allowed me to be oriented to detail and I'm willing to learn new technology. I am looking forward to applying my previous work experiences and newly developed technical skills to launch my career in a tech field.

EXPERIENCE

Junior Software Developer Cohort 5   **July - October 2023**
Generation Thailand

- Developed a workout tracking website with both desktop and mobile-responsive web designs using the MERN Stack, which includes MongoDB, Express.js, React.js, and Node.js.
- Acquired essential behavioral skills for both the workplace and personal life, including a growth mindset, effective communication, personal responsibility, and persistence.
- Developed multiple mini-projects using HTML, CSS, Tailwind CSS, JavaScript, and React JS, including CRUD React JS projects.
